The Adelante program in Chile is set in two neighboring coastal cities.

Rather than seeing things as a typical tourist, you will experience what it's really like to live and work in another country, while also improving your Spanish and enhancing your resume with international work experience.

**LANGUAGE. CULTURE. WORK EXPERIENCE.**  
*Achieve it all with an Adelante International Program.*

Designed for the independent individual, Adelante International Internship Programs promote real access to your host-city's culture and daily life. Students both work and live on a day-to-day basis among locals.

Sign up for your International Internship Program for anywhere from 1 to 12 months. Program start dates are the first Monday of the month, each month of the year. Numerous sectors are available and we are always adding more.
