Live in the country's political and economic center, the heart of Catalonia, historic Andalucía or a luxurious beach-side city. Rather than seeing things as a typical tourist, you will experience what it's really like to live and work in Spain, while also improving your Spanish and enhancing your resume with international work experience. Designed for the independent individual, Adelante International Internship Programs promote real access to your host-city's culture and daily life. Students both work and live among locals on a day-to-day basis. Sign up for your International Internship Program anywhere from 1 to 6 months. Programs begin the first Monday of each month, year round. Numerous sectors are available and we are always adding more!

PAST CANDIDATE REVIEW

"I had an amazing experience with Adelante Abroad in Barcelona. They gave me plenty of support leading up to my departure. I got picked up from the airport and taken to my accommodation which was in a very good area! The Spanish school was lovely and I made lots of friends which I kept throughout the program. My internship itself was also incredible. The office was perfect and I absolutely loved my coworkers. I met some lifelong friends and truly had the experience of a lifetime. Barcelona become like home to me and I could not be more grateful for my time there! 10/10 experience and highly recommend." - Sophia
